About Mission Providence

Mission Providence is a leading provider of services that empower people to find lasting employment and realise their full potential.

We work together with government, employers, partners and clients to help people create better futures for themselves, their families and for the communities in which they live.

Based in over 60 different locations, we are a high performing organisation that provides tailored proven employment support, guidance and opportunities.

Depending on your circumstances, we can help you write or update your resumé, provide you with job search tools, interview tips and preparation, and help you with skills development that will prepare you to have the best chance in securing ongoing employment.
